User groups focus on networking and knowledge sharing specific to the members shared interest. Through meetings, conference calls and other interaction opportunities, user group members share their experiences, make contact with other users and identify product development issues.

There are three types of product/industry user groups:

- Product user groups (PUGs) are comprised of users who share a common software product or technology. PUGs are focused around the same product or particular module of the software.
- Industry user groups (IUGs) are comprised of users from a common industry or type of business. Many times members cross product lines and/or technologies.
- Special interest groups (SIGs) can be formed around either a product or industry interest.

# Member benefits: Voice into Oracle

## Product Enhancement Request Process – NEW!

- Co-developed by Quest and Oracle
- A process that gives Quest's community of Oracle customers a way to submit and discuss ideas, needs and product enhancement requests.
- Quest members and subscribers, as well as its affiliated RUGs, work through affiliated IUGs, PUGs and SIGs and their Oracle points of contact.
- Requests are submitted and tracked online.
- Quest Members can fully participate in the process – submit requests, comment, prioritize; Quest subscribers can submit and comment.

# Quest Enhancement Request Process

# Getting Started

- ➔ From the Quest Homepage, click Enhancement Requests in the Quick Links area to open the Enhancement Tracking window. This window is the starting point for using the Quest Enhancement Tool.

The screenshot shows the Quest International Users Group website. The main navigation bar includes Home, About Quest, Events, Applications, Resources, About User Groups, News & Media, and For Vendors. A secondary navigation bar includes My Quest, User Groups, News, Infocast, File Library, Ask the Experts, Polls & Surveys, Members, Enhancements, and Vendor Directory. The 'Enhancement Tracking' window is open, displaying a table of 'Newest Enhancements' and a 'Quick Links' section with a 'SUBMIT NEW ENHANCEMENT' button. An arrow points from the 'Enhancement Requests' link in the 'MEMBER & SUBSCRIBER RESOURCES' section of the homepage to the 'Enhancement Tracking' window.

- SUBMIT NEW ENHANCEMENT
- VIEW MY ENHANCEMENTS

You can view the most recently created enhancements, and also see the various enhancement types. Click on an enhancement type to view a list of the enhancements for that type.

# Submitting an Enhancement

- ➔ Click *Submit New Enhancement* in the *Window Options* box, or click the *Submit New Enhancement* button in the *Quick Links* box on the *Enhancements Tracking* window. The *New Enhancement* window opens.

The screenshot shows a web browser window titled "Enhancement Tracking". The user is identified as "Samantha Montani from Host Communications Staff" on "Aug 06, 2007 - 04:13 PM America/Eastern". The page has navigation links for "My Profile", "My Subscriptions", "Edit Preferences", and "Help".

The main content area is titled "New Enhancement" and contains the following elements:

- A header: "Please select the Enhancement Type you wish to submit an enhancement for:"
- A "Type:" dropdown menu with "Automotive SIG" selected. A red "(required)" label is positioned below the dropdown.
- "OK" and "CANCEL" buttons.

On the left side of the window, there are two boxes:

- Window Options:** Contains links for "Enhancements Home", "View My Enhancements", and "Submit New Enhancement".
- Search Options:** Includes a search input field, a "Site" dropdown menu, a "SEARCH" button, and a "FULL SEARCH" button.

At the bottom left, there is a green box with the text "Not a Quest member? Click here and find out".

Select an enhancement type to associate with the issue, then click the OK button. The Submit New Enhancement window opens.

# Submitting an Enhancement (cont'd)

➔ Click the OK button on the New Enhancement window.

The screenshot shows the 'Submit New Enhancement' window in the 'Enhancement Tracking' system. The window is titled 'Submit New Enhancement' and is part of the 'Enhancement Tracking' application. The user is identified as 'Samantha Montini from Host Communications Staff' on 'Aug 06, 2007 - 04:39 PM America/Eastern'. The window contains several sections:

- Window Options:** Includes links for 'Enhancements Home', 'View My Enhancements', and 'Submit New Enhancement'.
- Search Options:** Includes a search box, a 'Site' dropdown, a 'SEARCH' button, and a 'FULL SEARCH' button.
- Not a Quest member?:** A message with a link to 'Click here and find out what you're missing.'
- Title (required):** A text box containing 'Enter a Requisition On Behalf of Another User'.
- Description (required):** A rich text editor containing the text: 'We are asking for an enhancement that would allow a user to enter a requisition on behalf of another user, with the result being that the route code of the "on behalf of" user would be assigned to that requisition for approval purposes.'
- File(s):** A section for uploading files, including a 'New File(s)' button, a 'HELP' link, a 'SELECT FILE' button, and an 'Add' button with the text 'Click to add an additional file to this upload.'
- Product Line:** A dropdown menu with options: 'JD Edwards World', 'JD Edwards EnterpriseOne', 'PeopleSoft Enterprise', 'Siebel', 'eBusiness Suite', and 'Fusion'.
- Category:** A dropdown menu with the option 'Procurement Applications'.

At a minimum, you must enter a Title and Description for the enhancement. Complete as many of the fields on this window as possible, to provide others with adequate information about your enhancement, and to gain more support. Click the OK button to save the enhancement and submit it to the Enhancement Team for approval. You will be notified via email when the enhancement is approved or rejected.

# Subscribing to An Enhancement

- ➔ From the Enhancement Tracking window, click on the enhancement to which you want to subscribe, or click on an enhancement type, then select the issue from the list of enhancements. The View Enhancement window opens.

The left screenshot shows the 'View Enhancement' window. The 'Window Options' box on the left contains a link 'Subscribe to Enhancement' circled in red. A red arrow points from this link to the 'Enhancement Subscriptions' window on the right.

The right screenshot shows the 'Enhancement Subscriptions' window. It features a table with the following data:

Enhancement	Status	Personal Priority	Notify Weekly	Notify on Closed	
Enter a Requisition On Behalf of Another User	Cross-Listed	Medium	<input type="checkbox"/>	<input type="checkbox"/>	REMOVE

Below the table is a section titled 'Enhancements Submitted by Samantha Montini' with a sub-table:

Enhancement	Type	Status	Time
You have not submitted any enhancements			

Click **Subscribe to Enhancement** in the **Window Options** box. The **Enhancement Subscriptions** window opens listing the enhancement in your **Enhancement Subscriptions** box.

# Prioritizing Your Enhancement Subscriptions

The screenshot displays the 'Enhancement Tracking' web application. At the top right, it shows the user 'Samantha Montini from Host Communications Staff' and the date 'Aug 06, 2007 - 05:07 PM America/Eastern'. Navigation links include 'My Profile', 'My Subscriptions', 'Edit Preferences', and 'Help'. On the left, there are sections for 'Window Options' (with links to 'Enhancements Home', 'View My Enhancements', and 'Submit New Enhancement') and 'Search Options' (with a search box and 'FULL SEARCH' button). The main content area is divided into two sections: 'Enhancement Subscriptions' and 'Enhancements Submitted by Samantha Montini'. The 'Enhancement Subscriptions' section contains a table with columns for 'Enhancement', 'Status', 'Personal Priority', 'Notify Weekly', and 'Notify on Closed'. A single row is shown with 'Cross-Listed' status, 'Medium' priority, and both notification checkboxes checked. A 'REMOVE' button is present. The 'Enhancements Submitted by Samantha Montini' section has a table with columns for 'Enhancement', 'Type', 'Status', and 'Time', with a message stating 'You have not submitted any enhancements'.

- You can select the personal priority assigned to each of your enhancement subscriptions. While it is useful to help you organize your subscriptions, it also enables the group managing the enhancement to produce reports showing the priorities assigned to the enhancement, giving them a better indication of the support of the issue.
- Select Notify Weekly if you want to receive a weekly email notifying you if changes have been made to the enhancement.
- Select Notify on Closed to receive an email notification when the enhancement is closed.
- Click the Remove button to cancel the enhancement subscription.

# Locating Your Subscribed Enhancements

- ➔ Click View My Enhancements in the Window Options box. Your Enhancement Subscriptions window opens.

The screenshot displays the Quest Enhancement Tracking interface. On the left, the 'Window Options' box contains a link for 'View My Enhancements'. A red arrow points from this link to the 'View Enhancement: Enter a Requisition On Behalf of...' window. The main area shows a table of 'Enhancement Subscriptions' with columns for Enhancement, Status, Personal Priority, Notify Weekly, and Notify on Closed. Below this is a section for 'Enhancements Submitted by Samantha Montini', which is currently empty. The 'View Enhancement' window on the right provides detailed information for the enhancement 'Enter a Requisition On Behalf of Another User', including submission details, status, and description.
